Copies of the Filing may be obtained from the Administrative Officer of OHIC, 1511 Pontiac Avenue, Building #69-1, Cranston, Rhode Island during normal business hours, which are Monday through Friday 8:30 a.m. to 4:00 p.m. The Filing and other information may also be viewed at OHIC's website: <http://www.ohic.ri.gov>.

A complete copy of the filing as well as information regarding specific proposed rates, broken down by age and plan may be obtained at www.bcsri.com/2016rates or by calling Blue Cross customer service at (800) 639-2227 or (401) 459-5000.

SUMMARY OF FILING

The Direct Pay Class consists of individuals and families who are not eligible for coverage through State or Federal programs and those who are enrolled in one of Blue Cross' Direct Pay products. **The Filing does not apply to any Blue Cross Medicare products.**

Blue Cross is seeking approval of new rates for eleven (11) Direct Pay plans. The rates proposed would be in effect for the period January 1, 2016 through December 31, 2016. Beginning January 1, 2016, Blue Cross will no longer offer its VantageBlue Select RI, BasicBlue Catastrophic, and VantageBlue Direct 5800/11600 plans.

Other Direct Pay plans are undergoing benefit changes and, in some cases, increases in deductibles and co-pays will occur. Five new plans are being introduced. Direct Pay plans will continue to be offered for purchase directly through Blue Cross and, with the exception of the Vantage Blue Direct Embedded Dental 1200/2400, will also be offered through HealthSource RI, the State of Rhode Island's health benefits exchange.

Rate increases proposed by Blue Cross for existing Direct Pay plans vary by plan. The overall average rate increase proposed is approximately 11.0%, not including any applicable increase due to a change in age.

Because of the requirements of the federal Affordable Care Act, rates are determined per individual with premiums for family coverage to be developed based upon the number of individuals in the family with a cap (for rating purposes only) of three children under the age of 21.

The hearing room is accessible to the handicapped. Individuals requesting an interpreter or services for the hearing impaired must notify the OHIC at 462-9517 or TDD 711 not less than seventy-two (72) hours in advance of the hearing date.
