OHIC Social and Human Service Programs Review Updates

OHIC Social and Human Service Programs Review Updates

2025 Report Timeline

Reports Due January 1, 2025

- Task 1:** Social and human service program rates
- Task 2:** Eligibility standards and processes of social and human service programs
- Task 3:** Utilization trends from 1/1/19 to 12/31/23
- Task 4:** Structure of state government
- Task 5:** Accountability standards for services for all social and human service programs

Reports Due April 1, 2025

- Task 6:** Professional licensed and unlicensed personnel requirements for established rates for social and human service
- Task 7:** Access to social and human service programs, to include waitlists and length of time on waitlists in each service
- Task 8:** National and regional Medicaid rates in comparison to Rhode Island social and human service provider rates
- Task 9:** Usual and customary rates paid by private pay for similar social and human service providers

Report Due September 1, 2025

- Task 10:** Assessment and review process that results in recommended rate adjustments

OHIC Social and Human Service Programs Review Updates

2025 Independent Rate Model (IRM) Service Areas

- OHIC chose the following service areas for IRM analysis in the 2025 review cycle based on the volume of Medicaid expenditures associated with the services, stakeholder feedback collected via the questionnaire sent to advisory council members and state agencies in August 2024, and other considerations such as varying the types of services reviewed, the degree of complexity of the service, and project budget.

IRM analysis will occur on the following service areas:

- Adult Day
- Home Health
- Community Health Workers
- Home Based Therapeutic Services (HBTS)
- First Connections
- Healthy Families America
- Mental Health Psychiatric Rehabilitative Residences (MHPRR)
